

## Welcome to the Toyota Canada Inc. Official Repair Information Website.

Re: Web site <https://techinfo.toyota.com>

Toyota Canada Inc. is pleased to announce the opening of this repair information website for the Canadian service aftermarket industry to access repair information on Toyota, Scion and Lexus vehicles.

Toyota Canada Inc. has teamed up with Toyota Motor Sales, U.S.A., Inc. to provide O.E.M. repair information such as Repair Manuals, Electrical Wiring Diagrams and Service Bulletins etc... Please see chart attached on the next page.

Some of the key items are:

- Certain information contained in this web site applies only to the USA market.
- All prices quoted are in US currency. Applicable taxes, custom duties and transportation charges are not included in the listed price.
- Technical assistance request should be directed to the National Automotive Trades Association (NATA) at Phone # (604) 432-7987

Should you have any inquiry please contact your NATA contact for further information.

You can use the "Contact us" link on the web site when:

- You need assistance with account setup/access.
- You need to locate specific information on the website.
- To provide correspondence or feedback.
